Meet Baylyn! 'Bay' is a beautiful 5 year old boy with Infantile Marfan Syndrome—Marfan syndrome is a genetic condition which affects the connective tissue that keeps the body together. Bay has a particularly severe case, and went through two life threatening open heart surgeries before the age of two. Last July, doctors ruled out further surgery due to the fragile nature of Bay's lungs. Although he continues to grow in strength (and personality—you better believe it!), his care is considered palliative.

Make-A-Wish learnt of this and they got involved in the best possible way! They threw Bay the greatest birthday party a 5 year old could dream of - featuring Bay's favourite train, Thomas the Tank Engine!

After seeing the wonderful work that Make-a-wish does, Bay's parents together with the Rosedale Speedway Association are going to **'Send it for Baylyn'** and raise some money to help Make-a-Wish keep doing what they are doing. Here's how you can get involved:

Saturday 18th November at the Rosedale Speedway—Join us for a massive Sports Sedan Feature race, brought to you by the VSC Sports Sedan Power Series and DirtX industries. In addition to the racing there will be a truck show, a jumpy castle, plenty of catering, and more.

Saturday 4th November at the Traralgon Tennis Club— Trivia night and Charity Auction—if you can donate an item for us to Auction please contact Casey Callanan on 0429 977 415 or email wewilldoit@live.com.au—ticketing info for the event is coming soon.

Donate Now—Bendigo Bank 633 000 / 194 997 763 If you would like a receipt, please email rosedalespeedway@gmail.com. If you are a corporate sponsor, please email the above address or call Leigh Mitchell on 0419 392 144—We will give you a fantastic plug in our promotional activities.
